<b>INTRODUCTION</b>	<p>These Procedures and Requirements of the California Integrated Waste Management Board's (CIWMB) Tire-Derived Product (TDP) Program Grant Agreement (Agreement) describe project and reporting requirements, report due dates, report contents, grant payment conditions, eligible and ineligible project costs, project completion and close-out procedures, records and audit requirements.</p>
<b>PROJECT REQUIREMENTS</b>	<ul style="list-style-type: none"><li>• Products must be installed at the location(s) specified in the approved Grant Application.</li><li>• Project(s) must be completed by March 31, 2010 to ensure full reimbursement.</li><li>• Products must be made from 100% recycled California (CA) waste tires.</li><li>• Project(s) must divert a minimum of 2,500 CA tires. Multiple products/projects may be combined to achieve a combined minimum of 2,500 CA tires diverted.</li><li>• Project(s) must not have previously received CIWMB grant funds.</li></ul> <p><b>PROJECT CHANGE OR MODIFICATION</b> Proposed changes or modifications to the approved project must be requested in writing to the CIWMB Grant Manager. The CIWMB Grant Manager must approve the proposed changes in writing <u>prior to</u> the Grantee performing the changed work. If approved, the Grantee must submit a new Tire-Derived Product Certification form (CIWMB 227) to ensure project requirements are met.</p> <p><b>PLAYGROUND PROJECTS ONLY</b> California law requires documentation of compliance with the standards set forth by the American Society for Testing and Materials (ASTM) and the playground-related guidelines set forth by the United States Consumer Product Safety Commission (CPSC). <u>The Grantee must submit the documentation to CIWMB before the Final Payment Request can be approved.</u></p>
<b>SIGNAGE/ ACKNOWLEDGEMENT REQUIREMENTS</b>	<p>The Grantee must install a <u>permanent</u> sign at the project site upon completion of the project, no later than March 31, 2010. See the "Acknowledgements" and "Advertising/Public Education" provisions in Exhibit A – <i>Terms and Conditions</i>, for signage requirement information. In addition, see Exhibit E – <i>Signage</i>, for an example and sign specifications. The sign must include the following:</p> <ol style="list-style-type: none"><li>1. "Funded by a Grant from the California Integrated Waste Management Board";</li><li>2. CIWMB logo;</li><li>3. CIWMB slogan "Zero Waste – You Make it Happen!", and</li><li>4. Number of CA waste tires diverted from the waste stream.</li></ol>
<b>PRIOR TO COMMENCING WORK</b>	<p><b>CONTRACTOR RELIABILITY REQUIREMENT</b> Prior to commencing work, the CIWMB Grant Manager must receive and approve in writing declaration(s) signed under penalty of perjury by the Grantee's contractor and subcontractor(s), stating that within the preceding three (3) years, none of the events listed in Section 17050 of Title 14, California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor and the subcontractor(s), respectively.</p> <p><b>TIRE-DERIVED PRODUCT REQUIREMENT</b> Prior to commencing work, the CIWMB Grant Manager must receive and approve in writing any proposed changes to the product manufacturer, supplier/vendor, and/or (sub) contractor from the one identified in Grantee's approved Grant Application. In addition, the Grantee must submit a new Tire-Derived Product Certification Form (CIWMB 227) with the new product manufacturer, supplier/vendor, and/or (sub)contractor information.</p> <p><i>To obtain the Reliable Contractor Declaration form (CIWMB 168) and the Tire-Derived Product Certification Form (CIWMB 227), see Exhibit D – Forms.</i></p>

**REPORTING  
REQUIREMENTS**

Annual Progress Reports and a Final Report are required by this Agreement. All reports must be current, include all required sections/documents, and must be approved by the CIWMB Grant Manager before Payment Requests can be processed. Failure to comply with the specified reporting requirements may result in the termination of this Agreement or suspension of any outstanding Payment Requests. Any problems or delays must be reported immediately to the CIWMB Grant Manager.

All documents submitted must be printed double-sided on recycled-content paper containing one hundred percent (100%) post consumer fiber. Specific pages containing full-color photographs or other ink-intensive graphics may be printed on photographic paper.

Failure to submit the Final Report and Final Payment Request, with appropriate documentation, by March 31, 2010, may result in rejection of the Payment Request and/or forfeiture by the Grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

#### GRANT PAYMENT INFORMATION

- Payments to the Grantee for grant expenses are made on a reimbursement basis only and for only those services and goods specified in the approved Grant Application.
- All reports must be current and approved before Payment Requests can be processed.
- Grant payments may be requested intermittently throughout the grant term as long as grant reports are up to date.
- Grant payments will only be made to the Grantee. It is the Grantee's responsibility to pay all product manufacturers, suppliers/vendors, contractors and subcontractors for purchased goods and services.
- Ten percent (10%) of each Payment Request will be withheld and retained until all conditions stipulated in the Grant Agreement have been satisfied. Reimbursement of the 10% retention must be requested in the Final Payment Request.
- Payment Requests will be processed as promptly as fiscal procedures permit. The Grantee can typically expect payment within four weeks from the date a Payment Request is approved by the Grant Manager.
- Failure to comply with the specified reporting requirements may result in the suspension of any outstanding Payment Requests or termination of this Agreement. Any problems or delays must be immediately reported in writing to the CIWMB Grant Manager.
- **For Playground Projects Only:**  
California law requires documentation of compliance with standards set forth by the American Society for Testing and Materials (ASTM) and the playground-related guidelines set forth by the United States Consumer Product Safety Commission (CPSC). The Grantee must submit this documentation to CIWMB before the Final Payment Request can be approved.

#### ELIGIBLE COSTS

Eligible costs are limited to the costs of CA waste tire materials, tax and shipping, as described in the approved Grant Application. These costs must be incurred and paid for after receipt of the Notice to Proceed and prior to March 31, 2010.

CIWMB will reimburse the actual cost per tire for every CA waste tire diverted by the project up to a maximum of \$5 per tire, as described in the approved Grant Application.

#### INELIGIBLE COSTS

Ineligible costs include, but are not limited to,:

- Any costs that are not waste tire material, tax or shipping costs as described in the approved Grant Application
- Any costs incurred prior to the receipt of the Notice to Proceed or after March 31, 2010
- Equipment installation and labor costs
- Cost of materials made from non-CA waste tires or tire buffings.  
*Note: Tire buffings may be used in the project, but will not be reimbursed by CIWMB under this grant program.*
- Costs that exceed the cost per CA waste tire cap of \$5 per tire.

**GRANT PAYMENT  
REQUEST  
PROCESS &  
REQUIRED  
DOCUMENTATION**

1. Submit a Grant Payment Request (CIWMB 87) with an original signature of the authorized signatory or his/her designee, as authorized by Grantee's resolution, to:  
California Integrated Waste Management Board  
Tire Derived Product (TDP) Grant Program  
Financial Assistance Division, 9<sup>th</sup> Floor  
1001 I Street, P.O. Box 4025  
Sacramento, CA 95812-4025

Copies of or faxed Grant Payment Request forms will not be approved for payment. To obtain the Grant Payment Request form (CIWMB 87), see Exhibit D – *Forms*.

2. Provide supporting documentation with the Payment Request.  
Acceptable supporting documentation must include one of the following:
  - a. Invoices, receipts or purchase orders containing the product manufacturer, supplier/vendor, and/or contractor name, phone number, address, purchase amount, date and description of goods/services.And must include one of the following:
  - b. Proof of payment (e.g., copies of cancelled checks, invoice marked as paid, receipts, accounting reports if they contain check number, date, product manufacturer, supplier/vendor, and/or contractor name and amount.)
3. Submit an up-to-date Tire-Derived Product Certification form (CIWMB 227) to certify that a) the waste tire product material used in the grant project is 100% CA waste tires, b) does not include tire buffings, and c) the cost per CA waste tire diverted does not exceed the cap amount of \$5. The form must be completed by the product manufacturer, supplier/vendor, and/or Contractor. To obtain the Tire-Derived Product Certification form (CIWMB 227), see Exhibit D – *Forms*.
4. Submit an up-to-date General Checklist of Business Permits, Licenses and Filings form (CIWMB 669) if the status has changed since the last submitted form. To obtain the General Checklist of Business Permits, Licenses and Filings form (CIWMB 669), see Exhibit D – *Forms*.
